Sticking Pompom Pictures

Instructions No. 2230

Difficulty: Beginner

Working time: 1 hour

Gluing **pompom pictures** is a great activity for your children. It is inexpensive and the children love to create the colourful pictures according to your ideas. We offer **free templates** for you to download and get started right away. Gluing the pictures promotes your children's **fine motor skills** and **creativity** and also increases their ability to concentrate.

This is how the pompom pictures are made:

Print out the **templates** and transfer them to the photo cardboard with graphite paper. It is best to draw the lines with a felt-tip pen so that they are clearly visible to the child.

The child can now use the **pompoms** to cover the motif as they wish. Cool pompom art is a great activity for fun craft time.

This activity with the pompom pictures is also super suitable for **children's birthday parties**.
