# Making a decorative Christmas landscape

**Instructions No. 3101**

Difficulty: Beginner

Working time: 1 hour 30 Minutes

The **run-up to Christmas** is the perfect time to get creative and embellish your own four walls with homemade decorations. With these step-by-step instructions, you can create an enchanting **Christmas landscape** that not only looks only beautiful, but will also delight your guests.

## Make a decorative Christmas landscape: Here's how!

Paint all the parts of your **Christmas landscape** to your heart's content. There are no limits to your creativity - choose colors that go well with the rest of the decorations.

To ensure that the paint covers well, you should apply 2-3 coats. Allow each coat to dry well before applying the next.

Use a **spatula**to apply the **decorative snow** to apply the snow. Make sure you spread the snow evenly to create a realistic winter wonderland. The snow will give your scene an authentic, frosty look - then leave the individual parts to dry thoroughly.

Once all the pieces are dry, you can put them together as you wish.

This craft project is not only a wonderful way to be creative and make something unique, it's also a great activity for the whole family. It brings **Christmas spirit** and anticipation into your home.

Have fun crafting!
