Adventsgesteck mit Weihnachtsstern

Instructions No. 875

This Christmassy arrangement from a composition of red and green fits perfectly into the Advent season. With its winter elements created with decorative snow and the large poinsettia blossom, you can conjure up a festive, homely atmosphere in your home

And this is how it is done:

Spread Bristle brushes the snow on the edge of the flap of the flower box and let it dry well.
Meanwhile, cut the dry brick to the right size. Put it in the flower box and cover it with moss.
Now cut the picks, holly and Christmas stars to the desired size and arrange your arrangement. Cut off a piece, from Jute ribbon wire it and decorate the spaces in between.

Now you only still need the suitable location for your Advent arrangement.
