transparent, soft pink shade is created. Scented oil can be stirred into the soap drop by drop according to personal preference.

Pour the liquid soap into the box mould, while gradually placing the opaque pink stripes into the mass until the box mould is filled

Leave to cool overnight, then remove from the box mould and cut into 2 cm wide slices with a large knife

Our extra tip:

You can smooth the surfaces with a cheese slicer and decorate the edges with an economy peeler. For further storage, the individual panes should be wrapped in cling film.

Design soaps with relief shapes and natural flower inclusions: Our idea [soap with lavender flowers](#) shows you how easy it is to create beautiful soap bars in country house style

The trick is the combination of white and transparent soap bars are always a welcome gift.
