Instructions No. 1320

Difficulty: Beginner 

These beautiful tea lights create an atmospheric **ambience** - both indoors and outdoors. We will tell you here how you can recreate the **eye-catchers** with the **sparkling acrylic stones** in no time at all.

And it's that easy:

1. From each of the **Decorative ribbons** cut a longer piece from the set. Sew **4 acrylic stones** onto the Ribbon, that is to be glued to the top edge.
2. **Stick** the **ribbons** at even intervals on the tea light glasses.
3. Tie 8 **small decorative bows** from one of the decorative ribbons. **Stick** the bows on the top Ribbon over the acrylic stones.
4. Afterwards put in a LED tea light and enjoy the beautiful glitter of the lanterns.
