Arrange the fall scene on a tray

Instructions No. 3450

Difficulty: Beginner

Working time: 1 hour

Be inspired by this simple idea and create beautiful fall decorations that will not only only warm your heart, but also delight your guests. All you need are wooden decorations, paint, a little nature and a lot of fun.

1. **Paint mushrooms:** Start by painting wooden mushrooms in autumnal colors. Use warm tones such as red, orange and brown. Make sure to apply the colors evenly and add small dots or patterns to the painted mushrooms.

2. **Arrange the decoration on the tray:** Once the mushrooms are dry, place them on a nice tray. Now you can start creating your fall scene. Use moss, dried autumn leaves and small mini cones for a natural and lively fall look.

3. **Add atmospheric lights:** For a cozy atmosphere, candle lights are a must. Place small tea lights in terracotta-pots and also place them on the tray. Use the Paper-tea lights from our range for this. The warm and inviting lights of the tea lights add the finishing touch to your decoration and create an atmospheric and inviting environment.

Now it's up to you to transform your home into an autumnal paradise with homemade decorations. Browse our online store and order the materials you need to get started on your project straight away!
