Autumn picture from natural papers

Instructions No. 2598

Difficulty: Beginner

Working time: 2 Hours

This beautiful **autumn decoration** for your **window panes** is made of **natural papers**. With our free template you will easily succeed in making these autumn window pictures. It's simply beautiful when you look out of the window and see these great mushrooms, leaves and pumpkins!

This is how you succeed with the autumn picture:

Print out the **templates**. Cut out the motifs and transfer them to the **natural papers** with a pencil. Cut out the motifs from the natural papers. Glue the mushrooms and pumpkins together with some craft glue.

You can use a **Posca marker** to add accents such as leaf veins etc.

Apply the **window glue** to the back of the motif with a painting sponge and then stick it to the window pane. If you no longer want the motif on the window, you can remove the adhesive from the glass with a damp cloth without leaving any residue.
