

Bright garland with macramé feathers

Instructions No. 2076

Difficulty: Advanced

Working time: 1 hour

No matter whether one is addicted to the Boho style, simply Macramé likes it or wants only a decoration for e.g. the bedroom. A garland with Macramé-Feathers is timelessly beautiful and a great eye-catcher, which depending on the material used is also very versatile.

Yarn is not enough, you can do more

The end pieces are always placed

 . In this way, you can tie up sections of
 tie them. That means sometimes the

feathers and the number of sections you

numerous individual Feathers ones.

ent tools are always better suited. Do
When combing you should always start
e individual threads from knotting too

a round tip to loosen the cord pieces

or directly on it, with an extra piece on
knotted tightly. Wrap this around the
