

Candle sand in a glass

Instructions No. 2368

Difficulty: Beginner 🍴🍴🍴🍴

Working time: 30 Minutes

Are you looking for a quick and easy DIY project for the cold season? Then this jar of candle sand is just the idea for you. The project can be completed in half an hour and you will have a great new eye-catcher for your home decoration.

Quick + simple

1. Clean the glass so that grease and dust residues are removed.
2. Print out the free motif template and stick it to the inside of the glass.
3. The lines can now be easily traced from the outside with a marker.
4. You can now layer candle sand in different colours in the jar.
5. Simply insert the wicks into the candle sand. If they are too long, you can shorten the wicks as desired with scissors.
