With the stamps in our range, you can also use our decoration example as the basis for cards and a guest book for a wedding or birthday.

1. **Paper cut to size**
Cut an 11 x 11 cm square from white photo card to create a card. You will need a 19 x 20 cm rectangle for the guest book.

2. **Use motifs from napkin**
Tear the desired motifs from napkin.
Apply a thin layer of napkin varnish to the cut photo card and place the top printed layer of napkin on top. Coat everything again with a thin layer of napkin varnish and leave to dry.

Then glue the designed papers with VBS handicraft glue onto the card and onto the ring binder.

3. **Lettering, stamps & stamping motifs**
Print out the template and transfer the lettering to the guest book using graphite paper. Trace it with a marker .
Place a stamp motif on the card.
Stick the finished napkin papers with VBS handicraft glue onto the card and the guest book. Punch fish out of photo cardboard and stick them onto your design with 3D glue pads for a special look.
