

Deko-Vogelhaus mit Blumen

Instructions No. 636

The special eye-catcher in your garden.. And

this is how it works

First assemble the **bird house**, glue it together and prime it in white. The edges in azure blue. When dry, paint the mushroom roof orange and the foot lemon yellow

Then stamp with the **BelArto flower stamp** on the mushroom roof in white and on the house roof in orange. Next shade the mushroom foot with the Hobby Color paint in may- and light green, shade **the white** flowers with the color fuchsia and paint the pistil lemon yellow

Now take up a mix of the different Hobby Color colours **with the snub sponge** and place **coloured dots** on the mushroom roof and bird house. Now with the light green Metallic Effect Liner the **leaf veins** work out and additionally paint small tendrils **on** the mushroom foot. At the end with the pinking Metallic Effect Liner insert **small flowers**.

This idea is timelessly beautiful!
