Dragonfly wooden box

Instructions No. 1655

Difficulty: Advanced

Working time: 1 hour

This dragonfly jewelry box is made with Motif straw silk The natural look of the jewelry box is very noble. This makes it an ideal souvenir for friends and acquaintances.

Tinkering with Motif straw silk

So that the vial of the **Motif straw silk** on the box, first prime the box with white Handicraft paint. Cut Straw silk paper so that the dragonfly motif covers the lid of the box. Spread this with **Napkin varnish** and cover it with the Straw silk paper-motif

Extra tip

Stick a piece **Metallic foil** or white Coloured paper with another vial motif and cut out the vial exactly. This can be applied to the first vial layer of the box with 3D-Glue pads or with normal glue. The wings of the second dragonfly are so stable and can be modelled in shape.

The perfect packaging for precious jewellery

The box is a great packaging, for example, for homemade jewelry. Just line the wooden box with some cotton wool or a piece of velvet and put the jewelry or a similar treasure inside.
