Easter bunny table decoration

Instructions No. 2192

Difficulty: Beginner

Working time: 1 hour

In the Easter season, crafting is especially fun. This bunny table decoration is quickly crafted and certainly provides good humor in your home.

Paint

The wooden silhouette "Sitting bunnies with eggs" consists of individual parts, which inserted into each other make a great stand decoration.

Paint the base, bunnies and eggs with the individual colors of the "Bouquet" craft paint set. Label the Easter eggs with "egg" or with a personal message.

Decorate

After drying, put the wooden parts into each other. Glue small bows to the bunnies with hot glue and fix some moss to the bottom of the figure.

Rejoice

Arrange the Easter bunnies best together with small spring flowers in your home and enjoy the beautiful sight.
