Elegant candle with decorating wax

Instructions No. 686

Personal candle design is easy and leads to unique candles. In these instructions decorative wax plates in shiny Gold and christmassy Red of the unusual shape of this design candle a high-quality appearance. The individual stars on the white surfaces fit perfectly.

And so it goes

Decorative wax plates and motifs already adhere to the candle by hand warmth, no further glue is necessary when decorating.

First the shiny golden wax plate is placed on one of the candles and carefully pressed on. The excess is cut off vertically Decorating wax with a scalpel and a long ruler.

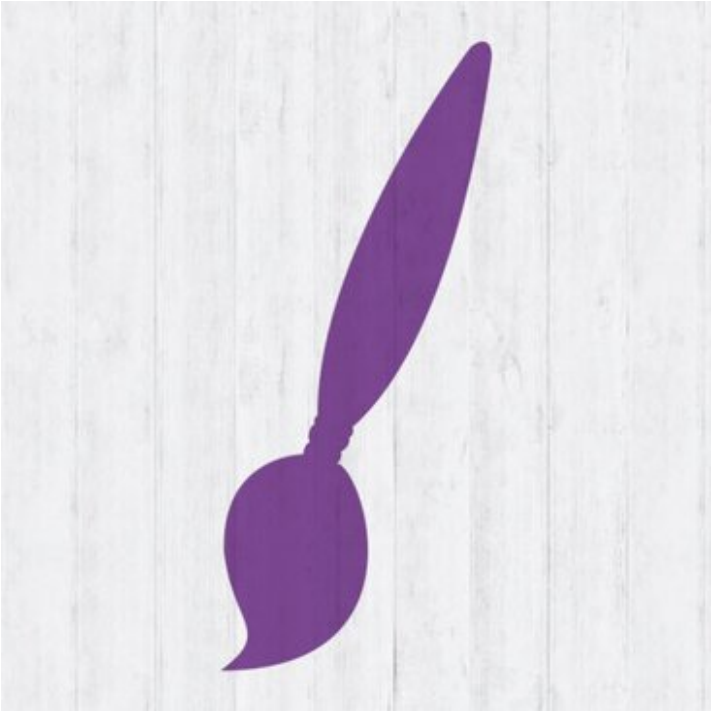

On a free surface of the candle, red motif plates are placed and cut to fit. This is done with a long ruler and some pressure.

Design further according to your personal taste, with closely spaced wax stars and further decorative wax plates and strips

This idea is timelessly beautiful!
