Elegant table decoration

Instructions No. 2150

Difficulty: Beginner

Working time: 5 Hours

This elegant table decoration is suitable for any occasion. Whether for a birthday, wedding, christening or confirmation and communion, the pretty table decoration pleases everyone.

Candles with pressed flowers and decorating wax:

1. Light the tea light and wait until the wax is liquid. Place the blossoms on the selected candle and brush them with the liquid wax from the tea light. It is best to use an old brush for this.

2. For the remaining candles, cut off a few strips of the decorative wax and press them onto the candles.

Candle holders:

1. Glue the terracotta pots and saucers together with assembly glue to form candle holders.

2. Spray with high gloss spray.

3. Design remaining saucers with pastel olive green craft paint and leaf metal.

Saucer:

1. Paint the plates with craft paint. Allow to dry.

2. Dab on some of the application milk and leave to dry.

3. Apply the metal leaf and seal it with the varnish. IMPORTANT: These plates are not suitable for food and are for decorative saucers only.

Napkin rings:

1. Paint two wooden rings per napkin ring in pastel olive green craft paint, design another ring with leaf metal.

2. Glue the three wooden rings together with assembly glue.
