

Folding star as windmill decoration

Instructions No. 2894

🔪🔪🔪 Difficulty: Beginner

🕒 Working time: 2 Hours

Christmas time is all about sitting together and making things. For most people, making stars is an integral part of the cold season. We have decorated a **folding star** beautifully as a **windmill**. Fold it right away with our illustrated folding instructions.

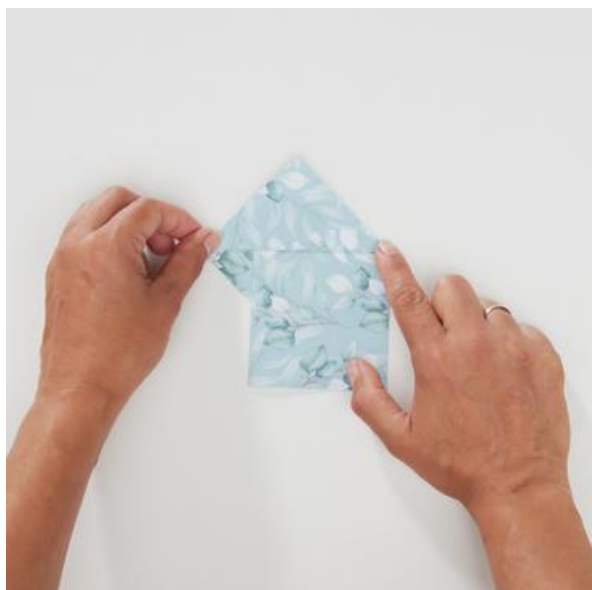

Folding instructions for the windmill/star:

Folding instructions Take paper of your choice and fold it using our folding instructions:

Insert the **round bar** into the wooden ball. Put the rod through the star, shorten it to fit and put **wooden ball** on the end again.

Shorten the round bar to any length and insert it into the wooden disc. Put a wooden ball on the end. Apply hot glue to the top of the ball and place one of the wooden balls in the middle of the star.
