🕒 Working time: 2 Hours

Christmas is the perfect time for **folding stars**. With our step-by-step instructions, you can easily make these charming stars out of **vellum paper** and then decorate them to your heart's content. They look great on windows and as room decorations.

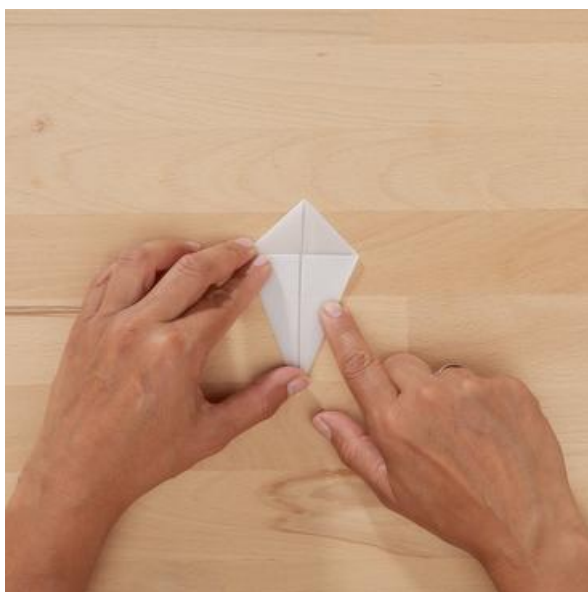

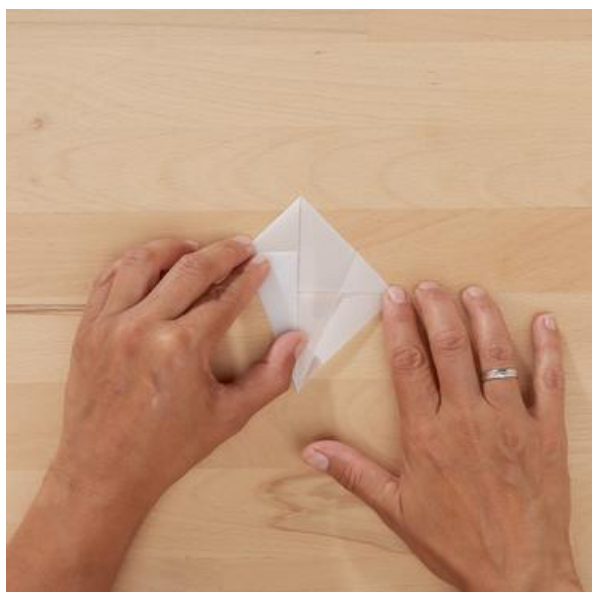

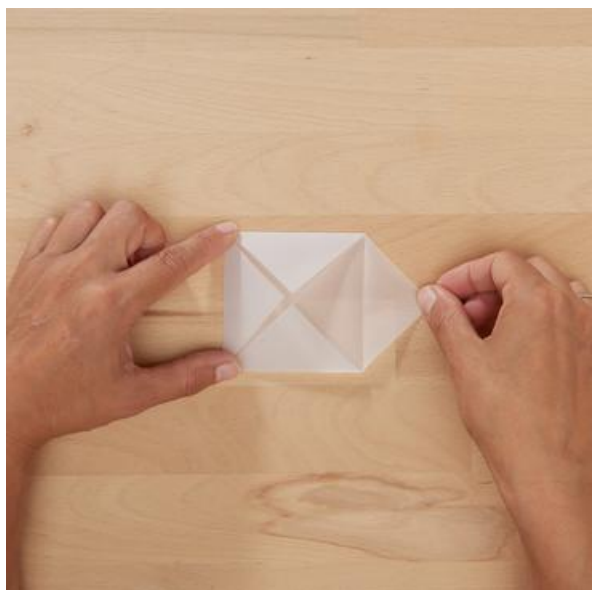

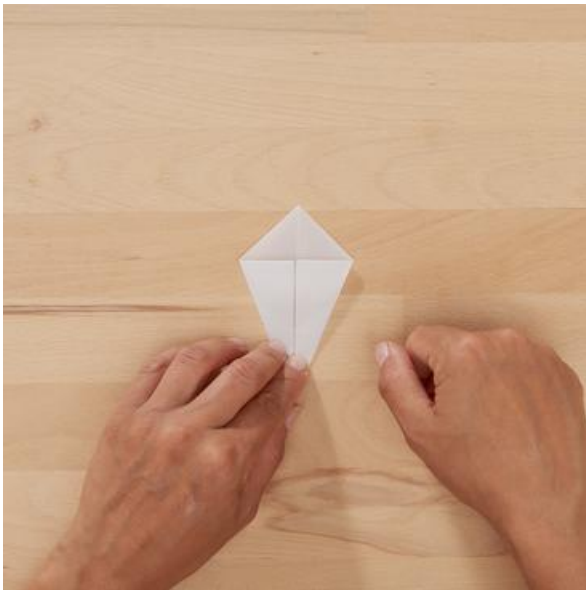

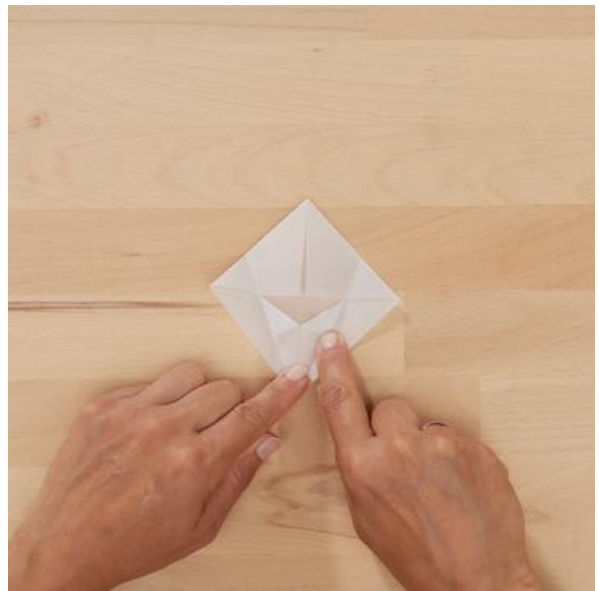

This is how the beautiful stars are made:

Folding instructions for the different banner stars:

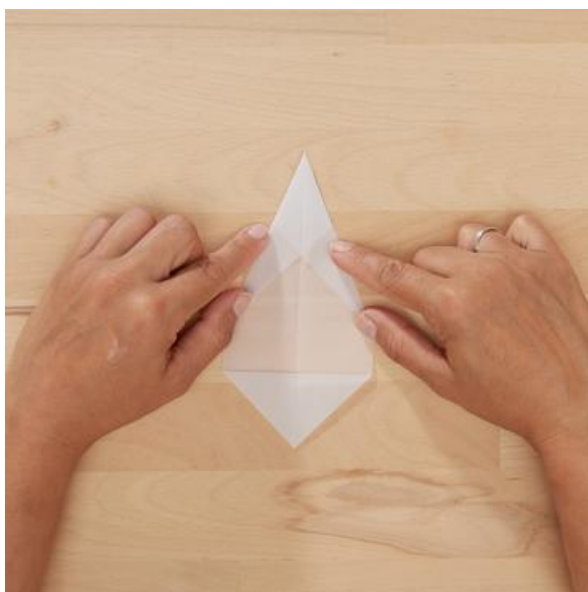

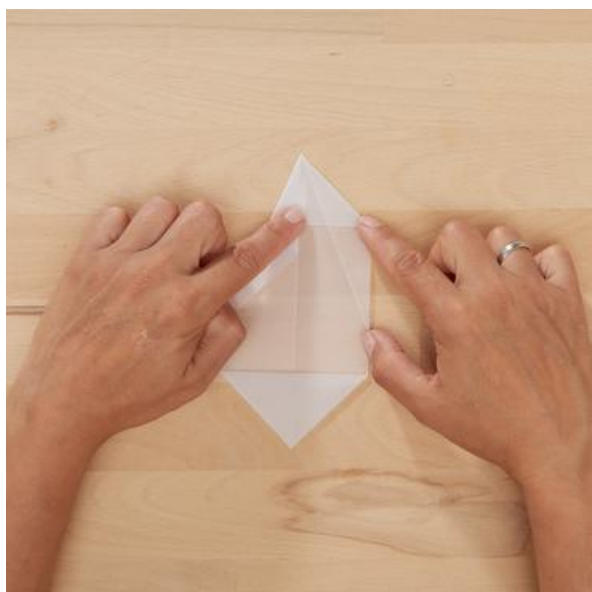

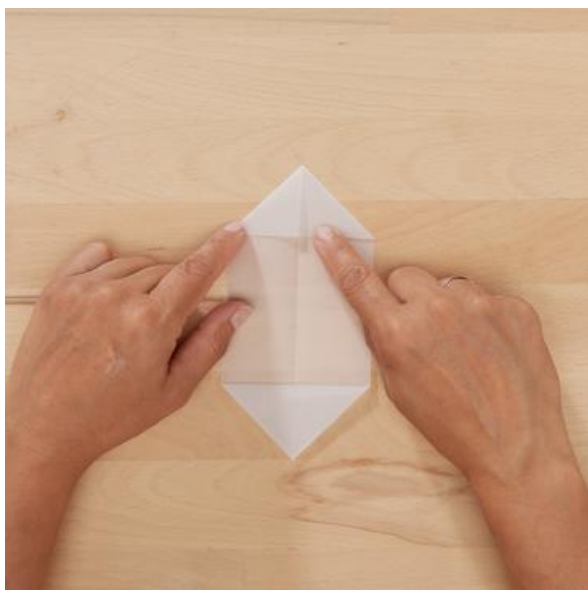

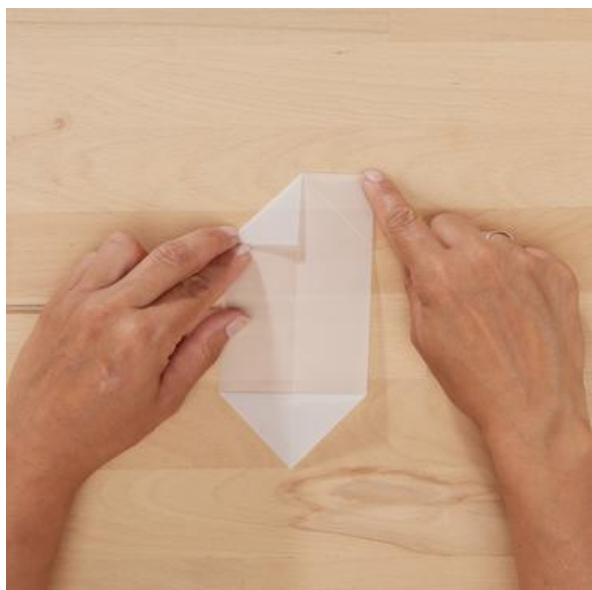

Prepare the right paper and follow our step-by-step instructions:

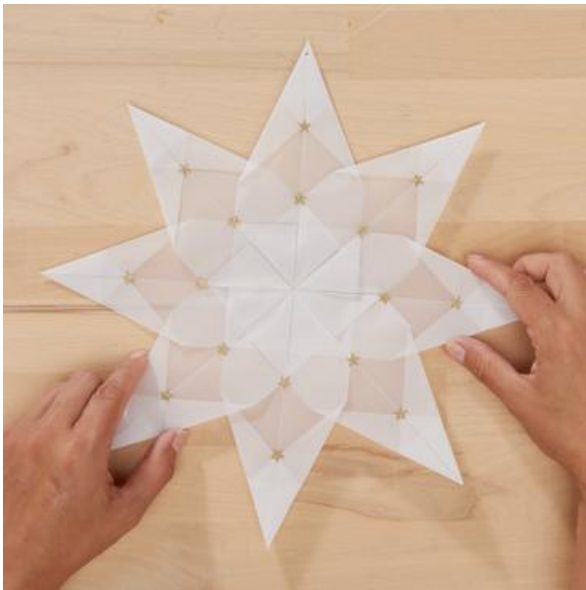

Star variation 1 "Small" from the 10 x 10 cm papers:

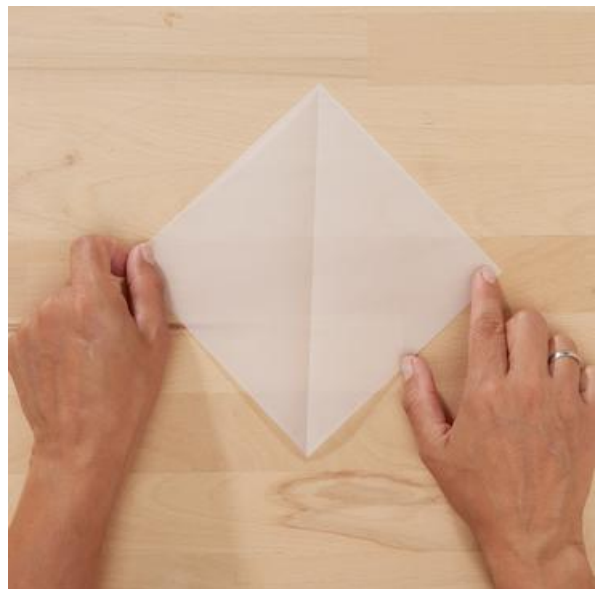

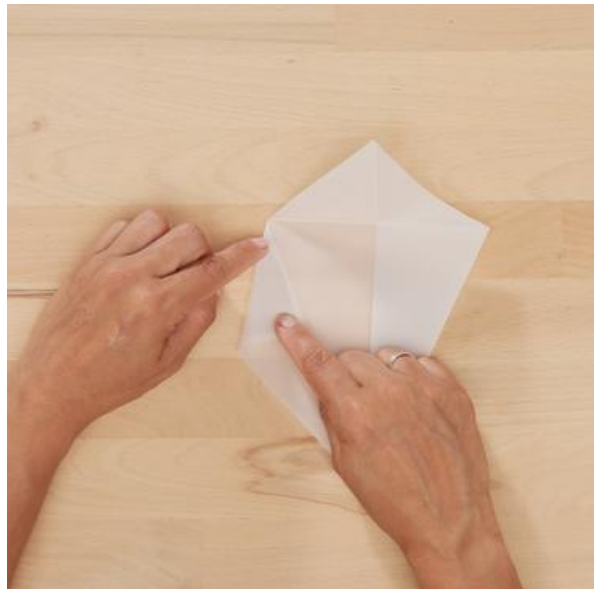

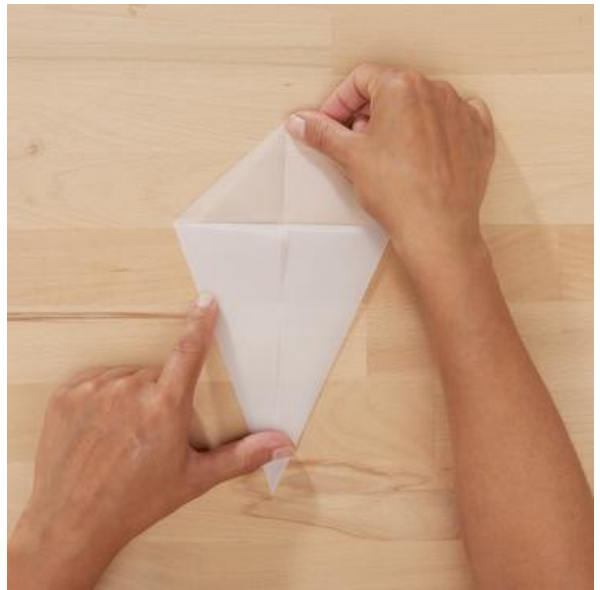

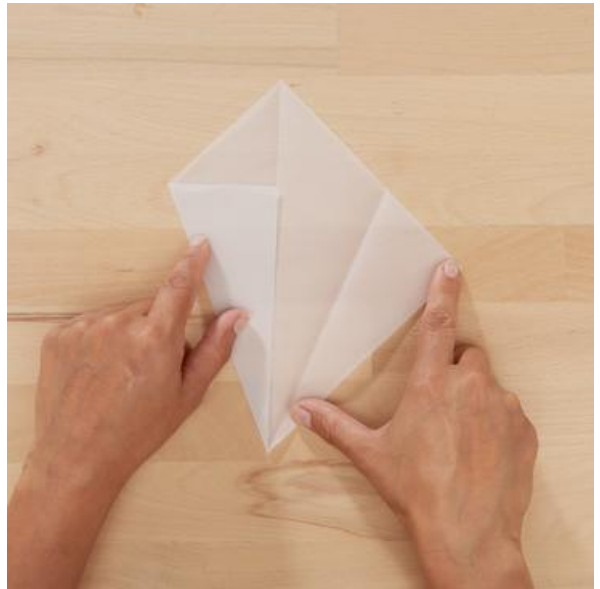

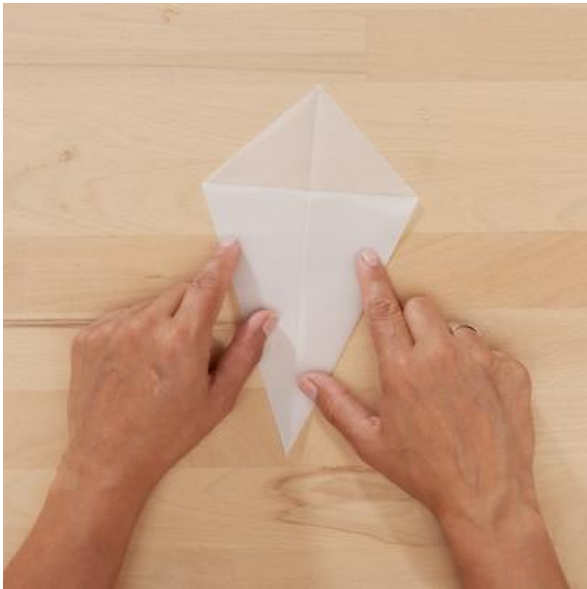

Star variation 2 "Medium" from the 7.5 x 15 cm papers:

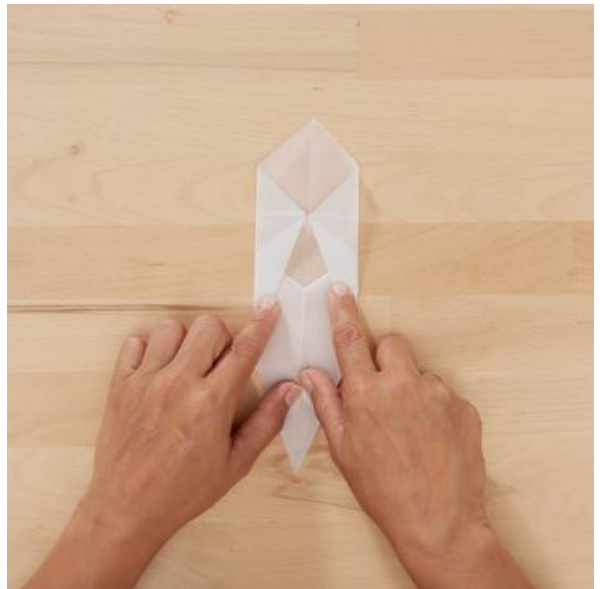

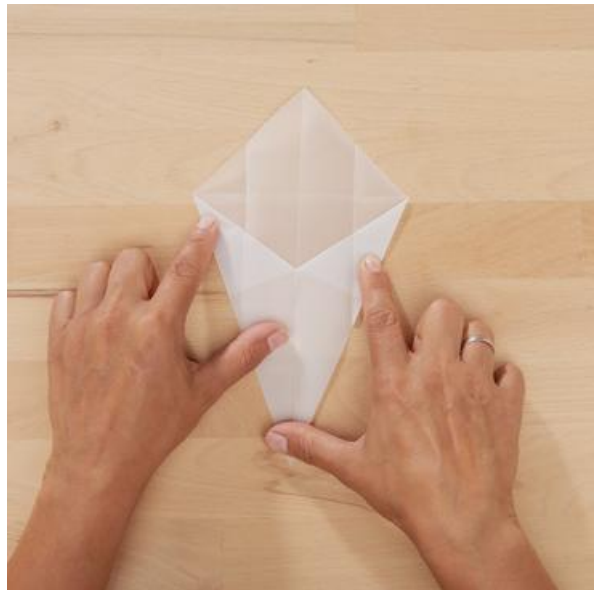

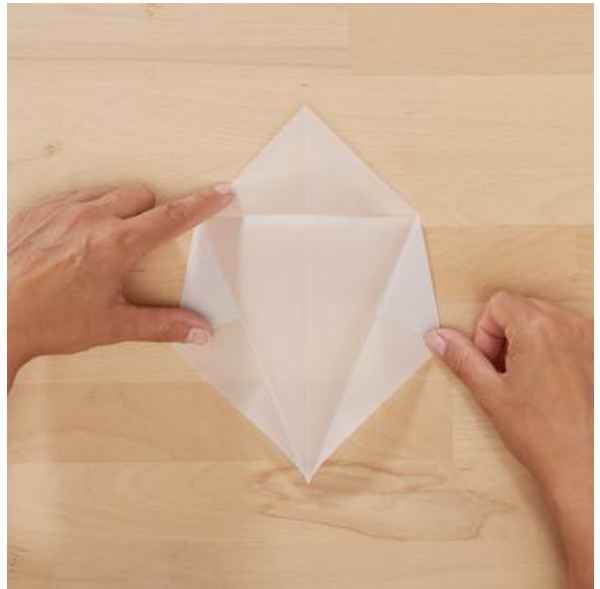

Star variation 3 "Large" with a small star on top from the 15 x 15 cm and 10 x 10 cm papers:

After you folded the big star and stuck it together, we folded another smaller star and then stuck it on the big star.

Ornamentation and loop:

Decorate the finished stars with the stickers. For the loop, punch a hole with the hole punch and pull the perlon thread through.
