Fruit Man from Cardboard Rolls

Instructions No. 2523

Difficulty: Beginner

Working time: 3 Hours

Who are these **cheeky little fruits**? They are Melanie the melon, Ottilda the orange and Kira the kiwi. The **cute figures** can be made with little material and sweeten your home. Also a nice craft idea for children.

How to make the cheeky fruits:

Paint the **styrofoam balls** and the **cardboard rolls** as shown in the photo.

Next, glue the **eyes** onto the dried styrofoam balls and paint on the faces. Glue the heads onto the cardboard rolls.

Cut the **chenille wire**. This will represent the stem. Twist the wires as desired and poke it into the centre of the heads.

Download the **template**, transfer it to the **foam rubber** sheet and cut it to size. Glue on the leaves.
