Instructions No. 996

Let your entrance area shine in new splendor. This **coat rack** with its refined details can be ideally **designed** in country house style. The romantic flowers of Napkin find the perfect background on the cut piece of fabric and are thus perfectly shown to advantage.

And it is as simple as that:

Cut out a suitable piece from the Cotton fabric with the pinking scissors. Stick this with the Handicraft glue on the coat rack. Cut out flower motifs from Napkin and fix them on Cotton fabric. Then decorate the coat rack with a bow Satin ribbon.
