Green birdhouse & Topfetagere

Instructions No. 1558

Difficulty: Beginner

Working time: 30 Minutes

The green **bird house with** the matching Pflanzétagère **is** painted **in trendy** pastel colours and is a great eye-catcher on the balcony and terrace.

Painting

Prime the **bird house** first with Chalky Outdoor paint in the colour Vanilla. For painting the roof and the letters, Chalky Outdoor in Ice blue and antique green is used.

Paint the **flower pots with** pastel Chalky Outdoor Color paint according to your personal taste, matching the bird house. The pretty Home Sweet Home lettering is first pre-painted on the pots with the line-ex pen and then finished with the brush.

Greening

Birdhouse

After the paint has dried, the roof of the birdhouse is covered with VBS Effect Glue coated and with Panel Moss covered. This adhesive has the advantage that it fixes particularly firmly when drying up and protects your creation better against moisture later than conventional Handicraft glue.

Therefore VBS Effect Glue can also be used for sticking on the letters of the birdhouse painted in Ice blue .

Flowerpot Etagère

The flower pots are stacked on top of each other using a wooden round stick. The Ø 10 mm round stick is cut to a length of approx. 17 cm and pushed through the pots. These can now be filled with decoration-Willow and moss and finally decorated with snowdrops.
