Halloween Castle

Instructions No. 1850

Difficulty: Beginner

Working time: 2 Hours

Soon it will be **Halloween** and that's a nice reason to make your house and garden accordingly creepy and scary. With our **creepy cardboard castle** you create an eye-catcher that was **made** with a **few inexpensive materials**. With the matching figures you breathe life into the castle and give it that certain something.

Download our free motif template and print it out. Place the template on the cardboard and paint the parts of the castle and cut them out. For our castle we painted the face as entrance gate on only one wall, the remaining three walls we painted on without face and cut them out **IMPORTANT**: The cardboard should be **Cutter** the wadding can be cut to size, as it is very good for cutting the thick cardboard and you will get clean edges. You can cut the **cardboard rolls** both with the Cutter as well as cut to size with scissors. Cut slits in the cardboard rolls at the height of the castle walls, into which you then insert the individual parts and glue them. Now you can decorate the castle with fineliners **and** colours.

Tip: Made of black **Craft cardboard sheet** bats can still be cut out and attached to the Handicraft glue castle. To give the castle a particularly old-fashioned charm, you can attach **filling cotton wool as cobwebs** to the towers of the castle.

Now we come to the **firgur cones**: Draw your desired faces and decorations on the figure cones with a pencil and then paint them with and fineliners Handicraft paint .
