Hedgehog from cones and salt dough

Instructions No. 2590

Difficulty: Beginner

Working time: 2 Hours

This cute **autumn decoration** is an eye-catcher in your home. These **hedgehogs** were formed from **pine cones and salt dough** and then painted. With our instructions, you can easily make these hedgehogs and conjure up a beautiful decoration. This idea is also perfect for spending some creative hours with children.

This is how you shape the cute hedgehogs:

First, protect your workspace from contamination with a **craft mat**.

Mix the **salt dough** with water to a kneadable mass. First roll one ball per hedgehog. Then shape it into a cone. Press a pine cone onto the thick end of the cone. Shape the snout of the hedgehogs. Now leave your hedgehog family to dry for several days.

Then you can paint your hedgehogs as you like with **craft colours**. Glue on the **wiggly eyes**.

Glue them onto the **tree discs** with **moss, decorative willow** and autumn leaves.
