Instructions: Glowing star plate

Instructions No. 859

This effective arrangement creates an **impressive atmosphere in** your home. The instructions show how to use **Straw silk paper** and **Acrylic balls** a real eye-catcher for the winter time can be created quite simply

And this is how it works:

Tear them into Straw silk paper small pieces and stick them onto the Napkin varnish stars. After drying, brush with glitter paste.
Use a scalpel to cut the opening of the hole free and thread the string of lights. **Tip:** Thread 2 lights in the big stars and one each in the small stars.

Now decorate the edge of the glass plate with snow paste: simply spread it out and let it dry. Finally, decorate your finished stars with fir branches and flower hair on the glass plate.
