

Kugellampen mit edlen Ornamenten

Instructions No. 911

These ball lights with filigree ornaments exude a very special light. Design an atmospheric arrangement and decorate the lamps alone or with several together and let your home shine in a perfect light.

And it's that easy:

Glue the parts of the light ball with the organza fabric and let the glue dry well. Then cut out the edges cleanly and assemble the ball according to the instructions and thread the light chain.
