

Lampe mit aus Bändern gewebtem Schirm

Instructions No. 583

Difficulty: Beginner 🍴🍴🍴🍴

Working time: 30 Minutes

Colourful ribbons Lampshade are used as warp threads and green organza ribbons as weft threads. The lamp base remains plain white, so as not to compete with the eye-catching one.

And here's how it works

Choose decorative gift ribbons according to your own taste.

Cut decorative ribbons to 21.5 cm length and stick tape-Ribbon on the ends.

Fix the first Ribbon directly on the butt joint of the cover, sticking the ends inwards. Arrange the other tapes with 0,5 cm distance around the Lampshade. Cut the organza ribbons to 66 cm length and weave them through the decorative ribbons without spacing. Fix the ends with tape-Ribbon .

Glue over the ends of the decorative tapes Organza ribbon and laminate them.

Tip: The tapes must each be 2 cm longer than the height or 1 cm longer than the circumference of the lampshade.

Put the finished Lampshade on the lamp base and fix it with the threaded ring.
