Instructions No. 1590

🔪🔪🔪 Difficulty: Advanced

🕒 Working time: 3 Hours

Lightboxes, also called **lightboxes** , are currently the trendy decoration idea! A creative idea with which you can design your home atmospherically and individually. You need only a frame, Lamp foil and a Marker, Color or similar for **unlimited creative possibilities!**

Painting the cardboard frame: First prime the cardboard frame with white Acrylic paint and let it dry. We painted the outer frame with Pink and painted it with Inca Gold, Conjure up effects. Paint the front side of the cardboard frame with Inca Gold and now decorate this and the side walls with white Edding.

Measure the Lamp foil: Place the cardboard frame on the Lamp foil and draw the outer and inner edges. Now cut the measured Lamp foil on the outer edge. At the corners, cut the Lamp foil in each case up to the mark (inner edge of the cardboard frame).

Stencil transferred: It is best to spray Stencil with temporary spray adhesive for the time being, so that Stencil cannot slip. Then place the Stencil on your foil and stick the motif onto the Lamp foil.

with the help of a nudge brush. **Glue the Lamp foil:** Fold the cut area of the foil backwards. Apply double-sided Adhesive tape to this area. Now you can slide the foil into the frame and glue it in place to achieve a nice clean result

Illuminate: You can now attach a light source on the backside like a light chain and experience your beautifully designed light box.
