

Making felt flowers

Instructions No. 3290

Difficulty: Beginner

Working time: 3 Hours

Felt flowers - easy to make yourself

Felt flowers are a great project for craft afternoons. These flowers are easy to make and are ideal for crafting with children. The finished flowers bring colour to the children's room or dining table. The instructions are simple enough so that even young children can join in with the crafting, but still leave room for their own creative ideas. Together with the children, you will not only make beautiful decorations, but also spend valuable time together.
