

Modelling ladybirds

Instructions No. 3213

Difficulty: Beginner

Working time: 2 Hours

Are you ready to get creative and make **adorable ladybirds out of modelling clay**? These simple craft instructions are perfect for children and adults alike and offer not only crafting fun, but also an end result to be proud of. By using modelling clay and permanent markers, you can give your ladybirds a very personal touch.

Once everything has dried well, you can paint the ladybirds with permanent markers. Be creative with the colours and patterns! Don't forget to decorate the balls, which will later be placed back on the craft sticks.

Step 6: Final assembly

As soon as the paint has dried, place the painted balls back on the craft sticks and your personalised ladybirds are ready!

Now it's up to you to enrich the world with your homemade ladybirds made from modelling clay.
