

Pantoffeln mit gefilzten Motiven

Instructions No. 434

Keep it yourself or give it as a present - the decision is difficult here. The fluffy slippers are sewn in two Felt ribbon colours and have a stable, non-slip sole. With the large felted Ilex motifs and the chic red decorative stitching they will become your favourite pieces.

Instruction manual

Copy the template for the sole to the desired size and make one out of sturdy Stencil cardboard, place it 1 x normal and 1 x mirror-inverted on and transfer Textile felt and Felt ribbon cut it out.

Also copy the pattern for the canopy to the desired size and copy 1 x normal and 1 x mirror-inverted from the finished one.

Glue the green and the black soles Handicraft glue together, with the dark green side facing upwards.

Transfer the template for the Ilex motif to the cut-out for the cap using a line-ex pen.

Place fine layers of fairy tale wool inside the motif and felt it on the special mat until the motif is felted over the entire surface.

Then felt up the contours with fine strands of black fairy tale wool and a single needle.

Decorate the finished felted motif with wooden beads.

Assemble the individual parts of the slippers and connect them with a loop stitch.

Tip: Fix the pieces beforehand with the sewing machine or by hand with a simple basting stitch.

Finally, place dots with sock-stop on the black sole and allow to dry
