Reindeer boxes

Instructions No. 2315

Difficulty: Beginner

Working time: 2 Hours

Our cute **reindeer** are perfect for wrapping **small gifts and treats**. As a present, as a thank you or just because - the recipient will be very happy. Even after unwrapping, the reindeer still cut a fine figure as decoration and look forward to a place on the dresser, windowsill or table.

This is how you design the cute reindeer:

Fold the **boxes** into **pyramids**. Now you can fill them as you like with treats, small gifts or lovely messages. Close the boxes with a jute ribbon.

Draw eyes with a **marker** and stick a pompom as a nose on the box with craft glue.

Now you need the antlers and ears for the cute reindeer. Print out the templates and transfer them to the cardboard. Cut them out. Glue the beige inner ear onto the brown ear. Fold the ends of the antlers and ears. Glue them to the box with **VBS craft glue**.

Last but not least, you can decorate the boxes with the **stickers**.
