

Rosen mit 3D-Effekt

Instructions No. 839

The large rose motif is not stenciled Stretched Canvas with only paint on the stencils, but also with sparkling scattered glass beads. This creates a three-dimensional effect that gives the picture a very special expression.

And so it goes

Prime the Stretched Canvas ivory-coloured one and let it dry.

Spray the masking stencil with spray glue, place it on the stencil Stretched Canvas and dab around it Handicraft paint with the skin-coloured Paint sponge one

Remove the adhesive Stencil immediately and clean under running water.

Repeat the process as often as you like.

Spray the stamperia Stencil with spray glue, apply and dab with a colour mixture of and irregularly Ivory Black , so that the motif appears shaded.

Remove and clean them Stencil immediately.

After drying, apply a second time offset to the first motif.

Apply the effect glue with one Spatula , pull Stencil off and clean.

Sprinkle the scattering beads into the effect Glue and press lightly (flower Red, Pink and Dark red / leaves and stem: green and turquoise / writing: Transparent).

Leave to dry for approx. 24 hours, then Bristle brushes carefully remove loose globules with a

Finally stamp squiggles around the motifs and wipe Ink Pads over the edges with this.
