

Schmuckstücke mit Kaltglasur

Instructions No. 1920

🔪🔪🔪 Difficulty: Beginner

🕒 Working time: 1 hour 30 Minutes

These nostalgic frames offer a beautiful possibility to put your desired motive in scene. With **cold glaze**, your **piece of jewellery** also looks very noble and is protected from scratches. Create great necklaces, suitable for every look or design pieces of jewellery for your loved ones as a gift!

This is how it's done:

Cut your desired **motif from** cardboard in the size of the cut-outs of the respective from tag. These are cut with a little **Handicraft glue** the stripes are attached to the trailer

Then mix cold glaze **according to** the instructions on the package and let the mass rest for about 30 minutes until it has a viscous consistency

Fill the cold glaze into the pendants so that a curved surface is created

After drying, attach a strip to each of the eyelets of the pendants **so that they** Chain can be threaded onto one.
