

# Serviettentchnik Anleitung – Kindergarderobe

Instructions No. 632

Difficulty: Advanced 🍃🍃🍃🍃

The small children's wardrobe is decorated with funny napkin motifs and cheerful colours. So keeping things tidy is fun even for the smallest ones.

## And so it goes

**Prime** the towel rail white and then make it buttercup yellow, orange, carmine red and may green. Then tear a motif strip and various small motifs from Napkin and remove the two white, unprinted layers of paper

Place the **napkin motifs** on the towel holder and carefully stroke over them from the inside out with Napkin varnish . After drying, seal the entire surface again with Napkin varnish, to achieve an even, shiny appearance. The small motives you stick on white Craft cardboard sheet, cut them out after drying and stick them on with 3D-Glue pads .

Now you paint the **baby shoes** made of papier-mâché with Handicraft paint. For this purpose you also glue small motifs on Craft cardboard sheet,. Cut them out and glue them directly onto the shoes with glue stick. Finally, thread the yellow Satin ribbon and hang the shoes on the hangers.
