Shiny butterflies

Instructions No. 3193

Difficulty: Beginner

Working time: 1 hour 30 Minutes

Spring is coming and brings new ideas with it! Let yourself be inspired and discover the joy of making **colorful butterflies** from colorful papers, pompoms, chenille wire and wobbly eyes.

Bring color into your home with shiny butterflies

Step 1: Making wings

transfer the **template** to paper and foil of your choice and cut it out. Use a hairdryer to carefully heat the **foil wings** and curl them. Now glue the pairs of wings together in the middle using a **hot glue gun** so that the foil lies over the Paper .

Step 2: Attach pompoms

To make the body of the colorful butterflies, glue 5 pompoms together and then glue on the wobbly eyes .

Step 3: put everything together

Cut 12cm off the wire, fold it in the middle and press it together at the bottom so that the two ends of the wire form the feelers. Use the **round nose pliers** to shape the antennae. Apply a dot of glue to the **pompom head** and glue the feelers on. Finally, glue the body onto the wings.

The lively butterflies are ready!
