Table set

Instructions No. 2232

Difficulty: Advanced

Working time: 2 Hours

There is nothing better than sitting at the table with loved ones, talking to each other and eating something delicious. And when the **table is beautifully decorated**, it's especially nice. Our idea of **placemats** is easy to copy, they are practical and beautiful to look at.

This is how the placemat is made:

Cut a rectangle of 15 x 10 cm for the **cutlery pocket** and a strip of 8 x 3 cm for the tag from the **Texipap** for each place setting. Punch out a star from the strip with the motif punch.

Sew the cutlery bag and tag onto the felt with a c**ontrasting coloured thread** using a zigzag stitch.

Attach the punched out **star** to the cutlery bag with **craft glue**.

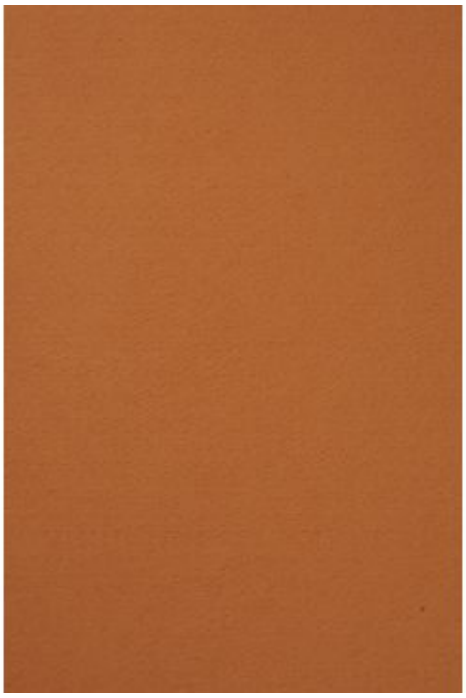

Now you can add **lettering** as you wish. This is best done with **Posca markers**.

Beautiful details make the placemat special and of high quality.
