

## Instructions No. 1035

A very nice present in the Advent season is the baking of cookies and other delicious delicacies. Beautifully wrapped and lovingly decorated, your gift will certainly leave a lasting impression. Also other selected presents find their place under the tree in the stars and boxes.

### Paper bags and folding boxes:

Pick out motifs from the crafting block and stick them in the area between the tape strips.

Decorate the paper bags with red and may green Organza ribbon and with a bow.

### Star boxes

Transfer the shape of the lids to the block of craft paper and cut out the stars about 1 cm smaller and stick them on the lid

### Small star

Wipe over the edges of the box with the Ink Pads and stamp a star pendant with the lettering of your choice

Tie the natural ribbon around it, thread the pendant on and fix it with a bow. Cut out a motif from the block, place it on the box above the natural ribbon with the 3 D Glue pads .

## Big star

Measure the width of the lower part of the box and transfer the measurements to the craft block. Now cut out the banderole and stick it with tape-Ribbon around the box

Stamp a writing around the edge of the lid and wipe all star edges with Ink Pads

Tie a Jute ribbon around the box and make a loop as a finish. Stick a pendant with a motif from the craft block and tie it to the box with a red Cord Jute-Loop.
