

VBS Craft kit "Christmas children decoration pendants"

Instructions No. 3460

Difficulty: Beginner 🍷🍷🍷🍷

Working time: 3 Hours

These **cute Christmas children**, in traditional Christmas colours, are the ideal Christmas decoration for a variety of decorating ideas.

Whether as gift tags, Christmas tree decorations or key rings, these little figures will put a smile on everyone's face.

You can create ten individual decoration pendants with this set.

In addition to the materials included in the set, all you need are sharp scissors, hot glue, a disappearing ink pen, a fineliner and a needle.

How to make your Christmas children's decoration pendants:

Take the enclosed template and cut it out with scissors.

Place the template on the craft felt and outline it with either a fineliner or the disappearing ink pen. **Tip:** The advantage of the disappearing ink pen is that the purple colour liquid disappears by itself (after a certain time or with a little water) and leaves no traces.

You will need a total of ten stars.

Combine colours tone on tone or make your Christmas children colourful. Just the way you like them best. Cut out the pre-drawn stars with sharp scissors.

Now take the wooden beads and draw different faces on the wooden beads with a fineliner. It doesn't matter whether they are winking, laughing or slumbering.

Switch on your hot glue gun and wait until it is hot.

Now put the Christmas children's hats on. To prevent them from slipping, you can fix them to the wooden bead with a little hot glue.

You can also vary here. Roll the hat up further or stick the bobble to the side with a little hot glue.

For the loop, cut a piece of ribbon and pull it through the eyelet of the jingles.

Double the ribbon and thread it through a needle.

Tip: If the ribbon is too thick for you, you can divide it.

Stitch the needle through the centre of the felt star and then through the hole in the wooden bead. Pull out the needle and knot the ends of the ribbon.

We hope you have fun making your craft.
