Are you looking for a **creative gift wrapping**? Then we have just the thing for you. With this craft kit, you can easily make 5 **sheep gift bags**.

In addition to the craft kit, you will also need scissors, a needle and glue.

How easy it is to make the original gift wrappings:

1. Step

First cut out the printed motifs from foam sheets . Place the hair, nose and two wobbly eyes on the head. If you like the arrangement, glue the individual parts on with VBS handicraft glue on. While the face is drying, glue the other heads together.

2. Step

Cut approx. 6 cm off the ribbon and thread it through a needle. Stitch it through a foam sheets-foot and knot the end of the ribbon so that the foot cannot from ribbon slip. Use the needle to stitch through the fabric at the bottom

of the cotton bag and knot the ribbon in the bag.

3. Step 2
Do the same with the other foot. Repeat this process with the arms. Make sure that they are knotted in the middle from of the bag.

4. Step 2
Now glue the sheep's head to the cotton bag and allow it to dry thoroughly.
Then you can fill the bags with great things and close them with the drawstring. Whether small gifts, vouchers or delicious treats, this packaging is always an eye-catcher.

Have fun making them!
