Handlettering fun with natural colors

Handlettering fun with natural colors Download the Bon Appetit design template and transfer the outlines to the cutting board using the transfer paper.

Paint the large letters "BON" flat with light yellow. To ensure that the yellow is completely opaque, paint in several layers, but allow the layers of paint to dry thoroughly after each coat.

In the next step, paint on loosely arranged leaves with mint green paint. Once dry, use an acrylic marker in moss green to decorate the leaves with outlines, leaf veins and small decorative dots.

Outline with the black pen the contours of the letters BON and write with the (previously sketched) Handletterling font "appetit" after

A few final touches - done!

White light reflections painted with a pen in the large letters and a border painted in mint green give the cutting board the perfect look.

Turn in the front of the cutting board 3 screw hooks and screw on the back of the picture frame hangers.
