

# Willow vine wreath with dried flowers

Instructions No. 2243

Difficulty: Beginner 🍃🍃🍃🍃

Working time: 2 Hours

Create a beautiful **decoration** for your door, window or even on the wall. This wicker wreath is decoratively adorned with **dried flower bouquets** and is pretty to look at. This wreath also makes a great **gift** for a birthday or as a **souvenir**.

## This is how the beautiful wreath is designed:

First tie the **dried flowers** into individual small bunches with the enamelled **copper wire**. You can shorten the ends with scissors. Tie the bouquets to the vine wreath with the enamelled copper wire.

Knot a **satin ribbon** to the wreath for hanging (lark's button knot). Decoratively glue a piece of satin ribbon to the bottom centre using hot glue. This hides the visible wires.
